The Blonde & The Ventriloquist

A young ventriloquist was touring the nightclubs and one night he was doing a show in a small club in Alabama. With his dummy on his knee, he's going through his usual dumb **blonde** jokes when a **blonde** woman in the 4th row stands on her chair. "I've heard enough of your stupid **blonde** jokes. What does the color of a person's hair have to do with her worth as a human being? It's guys like you who keep women like me from being respected at work and in the community and from reaching our full potential as a person...because you and your kind continue to perpetuate discrimination against, not only **blondes**, but women in general . . and all in the name of humor!"

The ventriloquist was extremely embarrassed and begins to apologize, when the **blonde** yells, "You stay out of this, mister! I'm talking to that little smart mouth on your knee."
